```
                        G/D    D                          G/D    D
1. When I look in-to your eyes ____  It's like watch-ing the night sky____ ⌢
                    G/D   D                            Asus4    |    A    |
   Or a beau-ti-ful sun-rise____   Oh there's so much they hold____

                        G/D    D                          G/D      D
2. And just like them old stars____I see that you've come so far____ ⌢
                    G/D   D                            Asus4       |    A    |
   To be right where you are____   How old is your soul?____

                      G          D                  Bm7         A
Chorus: I won't give up on us____  Ev-en if the skies get rough____    ⌢
                      G        D                      Asus4    |    A    |
       I'm giv-ing you all my love____ I'm still look-ing  up____

                          G/D     D                        G/D    D
3. And when you're need-ing your space____  To do some nav-i-gat-ing____
                  G            D                     Asus4   |   A   |
   I'll be here pa-tient-ly wait-ing____ To see what you find____

                        G           D                  Bm7          A
Chorus: 'Cause ev-en the stars they burn____  Some ev-en fall to the earth____
                      G         D                     Asus4    |    A    |
       We've got a lot to learn____ God knows we're worth it____
                     | Gmaj7  - Em | Gmaj7 - Em |
       No I won't give up...

                Em
Bridge: I don't  wan-na be some-one who walks a-way so eas-i-ly
                                                   A
       I'm here to stay and make the dif-fer-ence that I can make____
            Em
       Our dif-fer-en-ces they do a lot to teach us how to use____
                                       | A    -     Asus4 |  A (and in the)|
       The tools and gifts we got yeah we got a lot at stake____
                    C
       And in the end you're still my friend at least we did in-tend

       For us to work we did-n't break we didn't burn
     C#dim
       We had to learn how to bend with-out the world cav-ing in
       C                              C#dim            A            |D - Dsus4|   D   |
       I had to learn  what I've got    and what I'm not   and who I am...

                      G        D                  Bm7        A
Chorus: I won't give up on us____ Ev-en if the skies get rough____
                      G        D                     Asus4                A
       I'm giv-ing you all my love____ I'm still look-ing  up____ Still look-ing up____
```

```
                              G         D
Chorus: Well I won't give up on us____ (No I'm not giving up)
                          Bm7        A
        God knows I'm tough en-ough ____(I am tough, I am loved)
                          G       D
        We've got a lot to learn____ (We're alive, we are loved)
                            | A  -  Asus4 |    A    |
        God  knows we're worth it____ (And we're worth it)

                       G/D      D                      Bm7        A
Chorus: I won't give up on us____ Ev-en if the skies get rough____
                       G/D      D                       A...
        I'm giv-ing you all my love____ I'm still look-ing  up____
